Sundaram BNP Paribas Fund Services Limited

“Annexure B” to the Auditors’ Report referred to in Paragraph 5 of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Sundaram BNP Paribas Fund Services Limited (“the Company”) as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting

was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating

effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE ACCOUNTS

1 SIGNIFICANT ACCOUNTING POLICIES

- 1.1. The financial statements are prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the relevant provisions of the Companies Act, 2013. The Company follows the Regulations prescribed by the Securities and Exchange Board of India (SEBI).

The preparation of the financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance sheet date, reported amounts of revenue and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The assets and liabilities have been classified as non-current and current based on a 12 months operating cycle.

- 1.2. Income Recognition:

Income from services is recognised on accrual basis.

- 1.3. Fixed Assets and Depreciation:

Fixed assets are stated at historical cost less accumulated depreciation.

Depreciation on assets is provided on the Written Down Value method by adopting useful life prescribed in Schedule II to the Companies Act, 2013 after retaining 5% of Original Costs as resale value for Office Equipments, Furniture & Fixtures. However, for the following assets different useful life has been adopted and depreciation has been calculated after retaining 5% of Original Costs as resale value.

Assets	Useful Life
Computers-End user devices	7 years
Computers-Servers and Networks	8 years
Office Equipments (Second Hand)	3 years
Furniture & Fixtures (Second Hand)	3 years

Cost of assets taken on finance leases is depreciated over the useful life of the assets as per schedule II of Companies Act 2013.

- 1.4. Valuation of Investments:

Non Current investments are stated at cost and provision for diminution in value, other than temporary, is considered wherever necessary.

Current investments are valued at lower of cost and market value/net asset value.
